

Workshop series:

6th BIODESIN WORKSHOP (Turkey)

Description

The theme of the workshop was determined as “Biodesign in Climate Change and Disaster Combat”. The aim is to raise awareness about Biodesign, to create a productive and creative discussion environment with the participation of undergraduate and graduate students studying in different disciplines, and to guide young researchers interested in Biodesign.

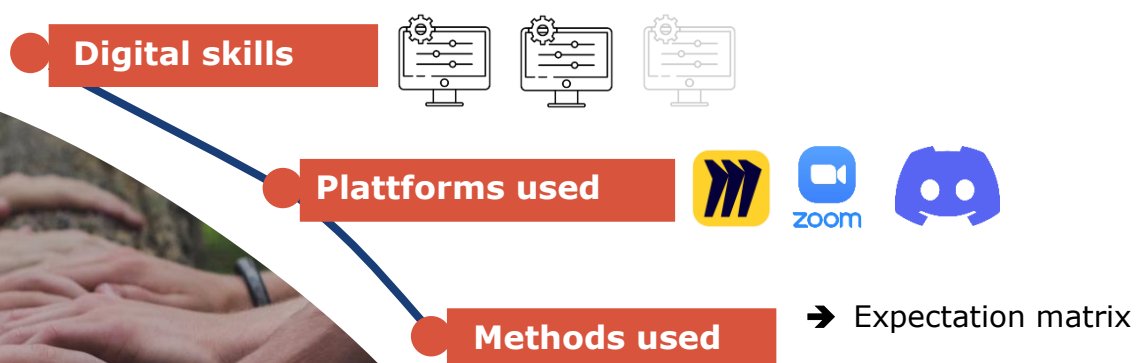

The workshop was held online due to the pandemic in 2021.

Partner organizations

- Dokuz Eylül University (Izmir, Turkey)
- EGE University (Bornova, Turkey)

What worked well?

- Digital communication via Zoom
 - Discord group for video conferencing
 - Digital collaboration in content creation with Miro board
- **Learning:** Digital platforms are essential for fast communication and content production in group work.

www.cocreaid.eu

CoCreAid Kit 4.0

The CoCreAid Kit 4.0 focuses on overcoming barriers to cooperation arising when HEIs and NGOs co-create digitally. By offering a digital platform with various digital tools and methods, the aim is to increase social impact in participating European countries and beyond.
