

Education:

Digital teachers programme (Turkey)

Description

The Digital Teachers Programme aims to digitalize teaching, become part of digital transformation, and transfer these digital competencies to primary and secondary school students. Starting late in 2020, due to the pandemic, the project had to be held online.

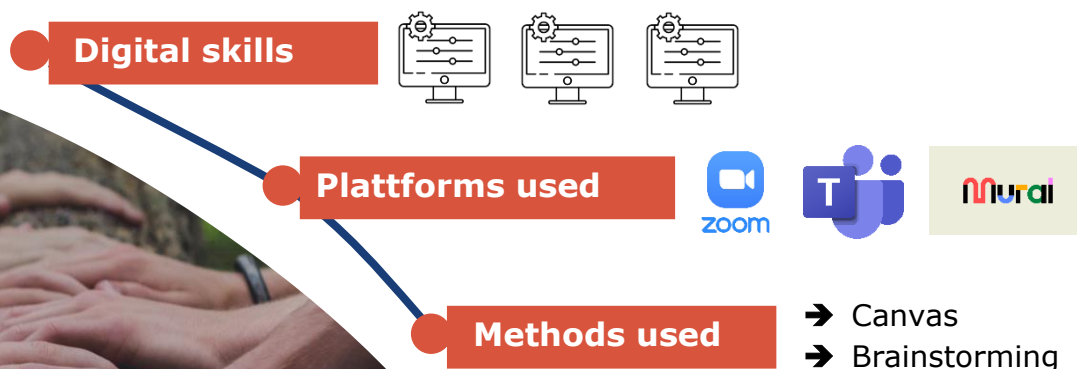

Partner organizations

- [Habitat Association](#) (Turkey): NGO which develops and conducts social impact oriented and capacity-building projects in coherence with the digitalizing world
- [Middle East Technical University](#) (Turkey): University
- [ING Bank Türkiye](#) (Turkey): Bank

What worked well?

Communication via digital platforms (Zoom & MS Teams) offered all participants greater flexibility.

- **Learning:** Digital teaching provides opportunities for more interactive and engaging learning experiences through the use of multimedia resources.

CoCreAid Kit 4.0

The CoCreAid Kit 4.0 focuses on overcoming barriers to cooperation arising when HEIs and NGOs co-create digitally. By offering a digital platform with various digital tools and methods, the aim is to increase social impact in participating European countries and beyond.
